NINTENDO SWITCH

Toy-Con 04 VR KIT

NINTENDO LABO™

MAKE PLAY DISCOVER

NINTENDO LABO COMBINES THE NINTENDO SWITCH TECHNOLOGY WITH THE FUN OF DIY CREATIONS.

With Nintendo Labo, building is just as much fun as playing. Find out how it all works and you might even invent new ways to play with your Toy-Con creations.

THAT'S Nintendo Labo. What will YOU create?

MAKE

Build Toy-Con creations using the interactive, step-by-step instructions in the included software.

PLAY

Add your Nintendo Switch console and Joy-Con controllers to have fun with a variety of quick-play, pass-and-play VR games and experiences.

DISCOVER

Explore how the mechanics work as you build and play with your Toy-Con creations.

CUSTOMIZE IT

Show off your creativity by adding fun designs to your Toy-Con projects. Use your own markers, paint, stickers, and original crafting ideas!

Customization tools and materials not included

CREATE NEW WAYS TO PLAY

Go beyond in the included Toy-Con Garage and Toy-Con Garage VR modes to invent new ways to play with Toy-Con creations or create your very own!

Nintendo

Nintendo Labo makes VR gaming fun for the whole family

Introducing the most robust Nintendo Labo™ kit to date—this one combines DIY fun, pass-and-play multiplayer, and family-friendly play with the magic of VR gaming, and includes programming tools you can use to create your very own VR games and experiences! Just add your Nintendo Switch™ console and its Joy-Con™ controllers to feel your creations come to life as you and your family blast through an alien invasion, create 3D works of art, dive into an oceanic photo safari, soar atop a bird, and go wherever else your imagination takes you.

STARTER SET
